

Popmoney[®] –
Personal Payments

Getting started with Popmoney®

Popmoney – Personal Payment Service is the easy and fast way to pay friends, family or anyone without having to visit the ATM or write a check.

✓ Sure you could mail a check, but it can take days to arrive and even longer to deposit the check.

1. Send, Receive or Request money.
2. All you need is the recipient's mobile number or email address.
3. Money is transferred from your account right into theirs!

✓ All you need to do is enter the person's name, email (or mobile number), the amount to send – and a message, if you like.

Popmoney[®] Cheat Sheet

Paying bills has never been easier or more convenient!

Step 1

Sending money is quick and easy. Select the Popmoney tab to begin.

Step 2

Select the person you wish to pay or create a new contact. Enter their name and select whether to use their email, mobile or even their bank account information.

Step 3

Next, enter the amount, select a date, choose which account to pay from, and add a personal message.

Step 4

Verify your information and click **Send Payment**. You will receive confirmation and the recipient will get a note with information on Popmoney and how to receive the payment.

Splitting Expenses Cheat Sheet

Paying bills has never been easier or more convenient!

Step 1

Start with whom you are splitting the expense. Enter their name and email address or phone number.

Step 2

Next, enter the amount that they owe you.

Step 3

Then add the reason and the date that the money is due.

Step 4

Review the deposit information and click **Send Request**. The recipient will receive a notification message via email or text.

Quick facts about Popmoney®

- 1** You can send money to anyone with Popmoney. And funds are deposited directly from your bank account into theirs.
- 2** When using an email address, you can attach a fun eCard for those special occasions.
- 3** Funds can be delivered in as little as one day – once accepted, it can take as little as 1-3 days to deposit into the recipient's account.
- 4** Your recipient does not have to have access to Popmoney via their financial institution to receive funds from your account. They will be directed to go to Popmoney.com.

With Popmoney all personal information remains confidential – it is simple and secure!
