

TRUTH IN SAVINGS DISCLOSURE

First Bank Blue Earth
306 South Main Street, PO Box 40
Blue Earth, MN 56013
December 12, 2025

This disclosure contains information about terms, fees, and interest rates for some of the accounts we offer.

☐ 91 DAY CERTIFICATE

Rate Information: This Account is an interest bearing account. The interest rate and annual percentage yield are included in the Rate Chart. The interest rate and annual percentage yield will not change for the term of the account. The interest rate will be in effect for 91 Days. Interest begins to accrue on the business day you deposit noncash items (for example, checks). Interest will not be compounded on the account. Interest will be credited at maturity. We will mail the interest in a check to you or deposit the interest in an account that you designate. If this account is used as an IOLTA Trust Account, then Interest (less applicable fees and service charges) will be sent to the State of Minnesota, Minnesota Judicial Branch Financial Dept.

Balance Information: We use the daily balance method to calculate the interest on the account. This method applies a daily periodic rate to the principal in the account each day. You must maintain a minimum balance of \$1,000.00 in the account each day to obtain the disclosed annual percentage yield.

Limitations: You must deposit \$1,000.00 to open this account. You may not make additional deposits into this account. You may not make withdrawals from your account until the maturity date.

Time Account Information: Your account will mature in 91 Days. If you withdraw any of the principal before the maturity date, we may impose a penalty of 90 Days Interest. We will use the rate in effect on the date the account is opened. This account will automatically renew. You will have 10 days after the maturity date to withdraw funds without penalty. If you do not withdraw the funds, each renewal term will be for an identical period of time as the original term.

☐ 182 DAY CERTIFICATE

Rate Information: This Account is an interest bearing account. The interest rate and annual percentage yield are included in the Rate Chart. The interest rate and annual percentage yield will not change for the term of the account. The interest rate will be in effect for 182 Days. Interest begins to accrue on the business day you deposit noncash items (for example, checks). Interest will not be compounded on the account. Interest will be credited at maturity. We will mail the interest in a check to you or deposit the interest in an account that you designate. If this account is used as an IOLTA Trust Account, then Interest (less applicable fees and service charges) will be sent to the

State of Minnesota, Minnesota Judicial Branch Financial Dept.

Balance Information: We use the daily balance method to calculate the interest on the account. This method applies a daily periodic rate to the principal in the account each day.
